RANDOLPH

Col. Israel Converse chapter, Daughters of American Revolution, held a very pleasant "guest night" at the home of Abbie F. Clarke on Friday night, which was attended by about 50 members and friends of the chapter. The guests were received by the regent, Mrs. Lemuel Richmond, and the committee, who were really the hostesses of the occasion. The program of the evening was opened by piano music by Mrs. Julia Cummings and Mrs. J. B. Adams, who gave brilliant duets. Following this, Mrs. Richmond introduced the speaker of the evening, Lieut. Wallace of Bethel, who proceeded to give a fine address, much of it being specially confined to the ancestors of those present. He referred to equal suffrage and urged all to make good the record of the forefathers, often reminding them that to those who had received much, of them much would be also required. The obligation to leave a commendable heritage for the next generation was also dwelt upon. Piano music and the singing of "America" closed the exercises of the evening, which were followed by refreshments of ice cream and cake.

RHEUMATISM AND THE HEART

Weakening of the blood tissues by continued attacks of rheumatism affects the heart and produces complications which often result fatally. Rheumatism puts the blood in condition to ward off other diseases and eradicates rheumatism in all forms from the whole system. One bottle costing 50 cents at the Red Cross Pharmacy will convince you of its great value.—Adv.
